## Guests and Visitation Guidelines for The Spine Hospital Patients

### Masking:

The Spine Hospital of Louisiana has adjusted our masking requirements to follow the Louisiana Department of Health guidelines.

- Visitors and patients are not required to wear a mask while visiting our hospital.
- Masks are encouraged in lobby waiting areas. Due to limited space, only **one** visitor is permitted in the lobby waiting areas.
- Please utilize both The Spine Hospital and Radiology waiting areas. Outdoor seating is also available and encouraged.
- No children allowed in the lobby waiting areas.

### Inpatient Unit:

- We will allow one overnight visitor to stay with the patient. The visitors can change however they must switch out in the lobby (not on the inpatient unit).

### Pain Department:

- No visitors are permitted in the Pain area.

### Preoperative Department:

- One family member will be allowed in the Preoperative area once the patient is ready for surgery.
